Our common ministry as the people of Faith Presbyterian Church is rooted in the saving love of God shown in Jesus Christ and matures as we trust God to provide love and grace for our lives.

We invite others to celebrate the Good News of Salvation with us and to share in the renewing experience we have in showing God's love.

Thus we will live and worship in a way that welcomes others to journey with us as we serve and are served, teach and are taught, love and are loved, hear and are heard and as we enjoy our life together in the body of Christ.
